## Group Arrested By Sheriffs Here Following Beating

by ELIZABETH SEYMOUR

Attempted escape from the law, assault and battery, and disturbing the peace, were criminal code sections involved in the rounding up of a group of young adults which took the combined efforts of Sgt. McKinzie, and Deputies Ronald Wibe, Wayne Marker, Hauer and Hughes to clear away May 1 at the apartment house at 3660 South Bonita, Spring Valley.

Sheriff's officers were alerted by the neighbors when four men beat up Joseph Rutecki as he left a party in the apartment of Mr. and Mrs. Wayne W. Avery. While questioning the victim, Deputy Wibe was alerted that the men were running across the back lot. He gave chase, rounding up two of them, whom he placed in the patrol car. Deputies Hughes and Hauer were called to take charge of James Bertrand Rice, 3580 Helix, Spring Valley, 20, and Harry Charles Griffen, 21, 2331 El Prado St., Lemon Grove, on the assault and battery charge.

While officers were taking the shaken-down evidence, Rice forced the left rear window of the patrol car and tried to escape by reaching through to open the door. This was foiled by Deputy Sheriff Hauer and he was again placed in the patrol car.

Meanwhile Mrs. Donna Sue Avery stepped out on her balcony and proceeded to berate the officers. She was finally placed under arrest for disturbing the peace. Rutecki identified Rice and Griffen as two of the men who had assaulted him, and made a citizen's arrest. Then he was taken to Grossmont Hospital for treatment by his neighbor Willie E. Rogers.

The shakedown produced the presence at the party of Jerry Brummet, 20, Spring Valley, Francis J. Glancy, 20, La Mesa, James E. Cooper, 24, San Diego, Jack Arland Quiggle, 20, USMC, Geo. H. Betancourt, 28, USMC, and Richard S. Northrup, 23, USMC, from Camp Pendleton. Also, Wayne A. Avery, 20, Joanna Sue Avery, 18, James Bertrand Rice, 20, and Harry Charles Griffen, 21, were taken in custody.

Ryan Aeronautical Company announced it will launch a hiring program immediately to meet demands of contracts totaling approximately \$3 million for production of exhaust manifold systems.

In addition, orders also have been received for other work for the Ryan manifold section, including one for approximately \$600,000 for exhaust systems for the Air Force's Douglas C-124 Globemaster. This is part of a continuing program of building new replacement systems and overhauling existing systems of C-124s, under way at Ryan for many years.

Largest single new order, exceeding \$2 million, is for a large number of replacement space exhaust systems for the Boeing B-50 series, to be produced during the next 12-month period.

Deputies Fred Cleveland, Charles Keeley, Don Bryan and Sgt. L. P. McKinzie, and Lt. Deputy Buzz Earnest tracked the men down and made the case in court. Deputy Cleveland said more arrests are to follow.

## C of C Gets Sam's BarBQ \$Raising Plan

The Lemon Grove chapter of commerce wrestled with money raising problems to meet current operating expenses and called on Restaurateurs Sam Pernicano, a board member, to help solve the monetary dilemma. The board also elected Dr. Dennis McLaughlin, local dentist, as a director at large at its monthly meeting Tuesday at El Morocco.

Jim Boyd, insurance man, was named to fill the unexpired term of Claude Sarvis.

Sam Pernicano started action on ticket sales for a giant barbecue dinner planned to lift the burden of debt from the chamber's shoulders. He named Bud Young, Forrest Baxter, and Robert Vaught as ticket sales chairmen. The barbecue will be held June 17 at the Lemon Grove Junior High cafeteria.

Pernicano, who will barbecue the beef himself, said he expected to feed more than 2,000 persons at the event. Tickets will be 75 cents for children under 12; \$1.50 for adults.

## Graduation Exercises To Be De-emphasized

Graduation at La Mesa-Spring Valley District junior high schools will be de-emphasized on a one year trial basis. The Board of Education has voted unanimously to support staff recommendations from both schools that the activities be held during regular school hours, rather than in the evening.

A recent report on "Junior High School" urged that promotional exercises between junior and senior high school be conducted similarly to those held between sixth and seventh grade. Most junior highs in the area (including San Diego city schools) hold daytime graduations.

Reasons advanced in the proposal included: (1) completion of eighth grade is no longer a "terminal" point in education; (2) evening junior high graduations compete with high school graduations at the same time; (3) school time must be devoted to elaborate rehearsals; (4) the "pomp and circumstance" of junior high graduations has grown out of proportion to an event which is primarily a steppingstone in long-term education.

Parents in the audience added that expenses connected with graduation (new dresses, suits, shoes, etc.) were high, and beyond the reach of many parents. They also pointed out that dress competition among some girls created a heavy problem for counselors. The

Board motion adopts a "this year and see" attitude, recognizing that not all parents will be happy with the change, but willing to follow the pattern of other sizable school systems.

## County Designation As 'Rabies Area'

Continued designation of San Diego County as a rabies area was recommended to the State Department of Public Health lately by the State Rabies Advisory Committee for this region.

The recommendation was made at a meeting held in the San Diego Department of Public Health Building at Civic Center in San Diego.

The committee based its recommendation on the increased occurrence of rabies in wild and domestic animals in Southeastern San Diego County, Imperial County and adjacent Mexico.

### PREVENTIVE MEASURES

It recommended that immediate and drastic preventive measures be taken by county authorities to decrease the possibility of an outbreak of rabies like that which occurred in the Imperial-Mexicali Valley in 1959-1960.

Mrs. Margaret Bliss of Los Angeles, committee chairman, announced the committee recommendation for establishment of a quarantine to confine dogs and cats in the affected area of San Diego County and the adjacent area of Imperial County. She said the Rabies Advisory Committee also recommended measures necessary to reduce the population of coyotes and wild (feral) dogs.

In recommending the re-designation of San Diego County as a rabies area, the committee cited six laboratory confirmed cases of rabies in San Diego County animals this year. The rabies was found in two coyotes, two dogs, a cow and a steer. The cases occurred in the area surrounding Jacumba and Campo.

### HELIX PTA COUNCIL PLANS LAST MEETING

The final meeting of the year for Mt. Helix Council will be at the Nan Couts Cottage in La Mesa, May 10, beginning with a coffee at 9 a.m. Mrs. C. S. Williams, current president of the council, announced that among the events of the morning would be a presentation of the historian's report by Mrs. A. J. Long, display of publicity record books with their hard-earned awards from council and district, and installation of officers to serve 1961-62.

Mrs. Mark Owen, Ninth District vice president, will officiate over the installation ceremonies and Mrs. E. J. Savoy, district president, will be guest of honor of the council.

Dr. Owen Geer, chairman of the bicultural committee at San Diego state college will narrate while showing a film on the recent reciprocal visits of Brier Patch and Tijuana children which was planned by teachers with the cooperation of the La Mesa-Spring Valley school district.

Hostesses for the event will be hospitality chairmen of Brier Patch, Casa de Oro, Fletcher Hills and Northmont PTAs. Reservations for luncheon following the meeting should be made as early as possible with either Mrs. Williams or Mrs. George Cadwalader.

### Machines Hit

The coin mechanism on two automatic washing machines were damaged at Costa Bella Trailer Court, Weldon B. Hurdon, operator of the court, has reported to sheriff's officers. The vandalism put several machines out of order, he said.

### L.G. Man Gets B. of A. Promotion

William E. Richards of 7407 Daytona St., Lemon Grove, was promoted to officer rank at Bank of America's La Mesa branch this week.

Richards becomes assistant cashier and general lending officer there after serving as a junior Timeplan officer for the past four years. He began his career as a teller in 1950.

Born and raised in Oakland, he is a graduate of the American Institute of Banking. He has also taken part in work with the local Boy Scouts and United Fund Campaign.

### Bus Agent Lee Back at Work

Back on the job of providing the residents of Lemon Grove with schedules, information, tickets — and friendly greetings — is Jesse Lee, local Greyhound agent, after attending a "refresher" course in bus transportation service and travel promotion held in San Diego.

At the one-day "school," Lee met with other Greyhound agents from a wide area to learn of the bus company's plans for the busy spring, summer and fall travel season. "Professors" at the "school" were Greyhound sales executives.

## OCELOT OR NOT, THIS CAT IS GONE!

It isn't a leopard, it's an ocelot. And it's missing from the home of Bill Carman, 3572 Helix St., Spring Valley.

Mr. Carman's pet, he has assured the Review, will not attack anyone but might bite if a person tries to touch it. It is 11 months old and weighs 15 pounds, is light brown with black and gray spots.

It got away lately by knocking out a window screen and has not been reported back. Mr. Carman, hoping someone will not take a potshot at his pet, asks anyone with information about the animal to please call HO 5-1035.

### Co-Ordinated Calendar Aim Of Local Orgs

Chamber of Commerce and Co-ordinating Council join hands to provide the community with a Co-Ordinated Calendar. The Co-ordinating Council is asking the Council Representative from each organization to assume the responsibility of reporting to the Chamber Office any event being planned by his organization as soon as the date is available.

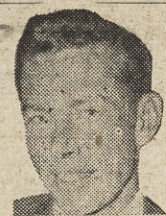

The Chamber of Commerce will list events on the Co-Ordinated Calendar if and when the Date, Time, Place and Kind of Affair is mailed to or called in to their office, 3448 Main St., HO 9-9621.

Both the Chamber of Commerce and the Co-ordinating Council are looking forward to the elimination of embarrassing situations caused when two major events occur at the same time. If all affairs are reported promptly and a quick check is made on the date involved, this can be accomplished.

The Co-Ordinated Calendar was a suggestion turned in to the Council by the Business Women's League. Many residents of Lemon Grove have echoed the need. We feel this is one instance where only a little effort on the part of each organization will go a long way in providing this much-needed service for Lemon Grove.

The Council welcomes suggestions by any and all citizens of our community and a box is kept at the Chamber of Commerce Office specifically for this purpose. Mail in your ideas to "Suggestion Box," c/o Chamber of Commerce Office, Lemon Grove, Cal.

LOS ANGELES — The first International Los Angeles Music Festival will be held here June 1-11, with 14 outstanding composers and conductors from seven countries participating.

### 50 Foot Setback Seen as 'C' Zone New Requirement

SAN DIEGO (CNS) — Approval of an amendment to the zoning ordinance to increase the setback requirement for "C" commercial zoning was recommended Friday by the County Planning Commission.

The commission recommendation is to the County Board of Supervisors. The existing requirement calls for a 40-foot setback in C zoning, and the proposal is to increase this to 50 feet. In this zoning, the most restricted of business zoning, all business must be conducted indoors and half the area must be reserved for parking purposes.

One of the press services notified us there's an interesting experiment in taxation being conducted by an enterprising weekly newspaper publisher in Minnesota. Publisher D. R. Patterson of the Truman (Minn.) Tribune is trying to shock his employees into realizing just how much of their money the Federal government is taking from them in taxes.

He is paying each of them his full wages every week, with no taxes deducted — except the last week. At the end of the last week he deducts the entire month's withholding and social security taxes.

## Water Works Takeover Of SV Sewers May

SAN DIEGO (CNS)—Opposition to the La Presa County Water District taking over operation of the sewage treatment plant of the Spring Valley Sanitation District may mean that a public hearing should be called on the question, the County Board of Supervisors it was learned here this week.

Robert Thorn, attorney for the La Presa district, said the possibility of opposition might make district directors reconsider their proposal to take over the treatment plant operation.

A report to Supervisors from the county counsel's office said the La Presa proposal for the Board, as directors of the Spring Valley district, to delegate its powers to the La Presa board was illegal.

But the county counsel's opinion said it would be legally possible to have the Spring Valley district enter into a con-

tract to have the La Presa district operate the plant. Supervisors, who also received a report from Jean L. Vincenz, public works director, pointing out problems involved with letting the La Presa district take over operation of the Spring Valley plant, put off a decision.

They agreed to call a public hearing if they could not decide, later, on their own, the policy to adopt.

## MAY DESIGNATED CEREBRAL PALSY MONTH FOR COUNTY

May has been designated in San Diego County as Cerebral Palsy Month, Richard L. Mulligan, president of United Cerebral Palsy Foundation of San Diego County, has announced.

A county-wide special educational program on cerebral palsy is being planned for May with special emphasis being placed upon the recruitment of Foundation members and volunteer workers, Mulligan said.

Mulligan is president of the United Cerebral Palsy Foundation of San Diego County, a county-wide health agency devoted to the treatment, education, recreation, and habilitation of the approximately 2500 cerebral palsied children and adults in the community. UC PF is a voluntary, non-profit, membership corporation, whose humanitarian work is supported by the United Fund of San Diego County and also through other contributions.

Two Grove women — Mrs. Genevieve Oliphant of 2295 Washington St., and Mrs. Barbara Norton of 7440 Central Ave., are active workers in the cerebral palsy program. Mr. Oliphant is a member of the Board of Governors and Mrs. Norton is on the Board of Directors for the county.

Mrs. Oliphant said the movement seeks to expand its training and recreation program of both child and adult cerebral palsy cases. About 25 children in Spring Valley and Lemon Grove have been under the program, Ralph H. Halla, executive director of the United Cerebral Palsy Foundation, said recently.

Mrs. Norton has been president of the pre-nursery school parents group and very active in the local program.

## Local Church Wins Sign OK from Planners

SAN DIEGO (CNS)—A Lemon Grove church Friday won its plea for a permit for what the County Planning Commission first regarded as an "outside" sign.

The Church of Christ, represented at the commission hearing by Larry Forrester, had applied for a sign five feet by eight feet. The church is located at 2515 Imperial Ave., in an area zoned for residences.

The first commission action was to hold the size of the sign to 25 square feet, the same as other church signs, but Forrester's plea that the church is surrounded by business won him permit for the bigger sign.

Two boys from San Diego, 15 and 19 years old, were apprehended by sheriff's deputies from this area in the parking area of the Mayfair Market, Lemon Grove, sniffing glue from a heavily saturated handkerchief stuffed into a beer can. The boys are being further investigated.

Selection was made by Mt. Miguel high school students who will attend the school, by present eighth graders at Spring Valley Junior High, Dulzura, Barrett, and Jamul. Crimson and gold was one of three choices and won a majority of votes the first ballot. A run off between "Mountaineers" and "Monarchs" resulted in selection of the latter. Other colors considered were orange and navy blue and red, white and navy blue. Other nicknames considered were Gauchos, Rockets, and Patriots.

Five new directors, in addition to Hesser, will be installed also. They are: Forrest Baxter, Skip Degenhart, Irv. Marner, Frank Thomas, and Robert Wilson.

Master of ceremonies for the event is Max Goodwin, editor and publisher of this newspaper. Jim Spears, Ford dealer, will conduct a Dutch auction for several bottles of spirits, and will handle several surprise awards for local "achievements."

Dancing will follow the dinner-time program to the music of Despie's orchestra.

The public is invited, but reservations must be made through the chamber of commerce office.

## Methodist Church Robbed

A pilferer is evidently letting himself into the Lemon Grove Methodist Church with a key, according to a report from Mrs. Mary Gilson, the secretary, to the sheriff's department. She says the unknown has made off with three projectors belonging to the church, and that a poll of the membership has not revealed any borrowing of them for entertainment purposes. She said she did not find any evidence of forced entry, but that several times when she has come to the church in the morning she has found the doors unlocked.

Miguel Hi student, reported to the sheriff's department that he suspects a group of Lemon Grove boys making off with his Piaggio Motor Scooter, stripping it of the speedometer and other parts and returning it to the Mt. Miguel Hi parking area.

Sheriff's deputies rounded up several of the boys at 8:10 p.m. April 25, and arrested one of them who had been expelled the morning of the theft. This boy claimed he had permission of the owner to take the Scooter, but admitted he had been in an accident with it. He was taken to Juvenile Hall.

## NEW RESIDENTIAL CATEGORY EYED BY COUNTY PLANNERS

SAN DIEGO (CNS) — Plans for a new residential zoning category were revealed at Friday's session of the County Planning Commission. Commissioners indicated they favor a classification between the present R-1, which requires 10,000 square feet of area for a building site, and the present R-1A, where 6,000 square feet is required. Commissioner Warren K. Hooper proposed a zone classification allowing 8,000 square feet of area, and Commissioner C. J. Martin said he thought 7,300 square feet might be better. Commissioners all agreed that a new residential category is needed. The comments came out of discussion of a hearing to remove the existing R-RB zoning, for "roadside restricted business," from the zoning ordinance, and it was agreed not to hold a hearing for this amendment until another on the added residential classification was slated. Robert G. Berrey, deputy county counsel, said taking the two steps in one would save the county money in advertising. Edward Walter Smith III, son of Mr. and Mrs. Edward Smith of 2746 Glebe Rd., Lemon Grove, recently enlisted under the U. S. Army's new guaranteed "choose it yourself" program for the Army Security Agency. Smith attended Harvard University and University of California at Berkeley prior to enlistment.

## Helix, Chula Vista Tied Mt. Miguel Second With 6-4 Record

by BILL OTT JR.

The Southern Division of the Metro League scramble will be a close race up until the finish of the last game. As of Saturday, April 29, Chula Vista and Helix were deadlocked for the first place with each supporting 7-3 loop records. Mt. Miguel is one game off the pace with a 6-4 slate. Had the Matadors reversed the 3-0 shut-out handed them last Friday afternoon by Escondido there would have been a three-way tie for first place. El Capitan's Vaqueros have clinched at least a tie for the Northern Division title with a three game edge over second place Escondido. The Lakeside nine have amassed a 9-1 league record and are 12-3 overall. The second place Cougars of Escondido are 6-4 in loop competition. Chula Vista seemed to have the toughest schedule for the remaining clashes, they were scheduled to meet Granite Hills Tuesday, face Helix on the La Mesa diamond tomorrow, and finish the regular season against fast rising Grossmont next Thursday. Meanwhile Helix was slated to meet with the always tough Grossmonters Tuesday, and will finish the regular season against Mt. Miguel next Thursday. The Matadors seem to have a relatively easy schedule and with Chula Vista and Helix losses could very well move into the first position. Sweet-

water was slated to play the Miguelers Tuesday at Mt. Miguel trying to even things up after the Matadors won a 4-1 decision in an earlier meeting between both clubs. Tomorrow the Spring Valley ballplayers travel to Hilltop to meet the Lancers who occupy the cellar.

## Italian Romance Consummated Here

by Elizabeth Seymour

A romance that started in a little Italian town last year, culminated in the wedding April 22, at Santa Sophia Church, Spring Valley, of Miss Carmela T. Spinazzola and Peter Marais.

The bride is the daughter of Mr. and Mrs. Anthony S. Spinazzola, 10023 Resmar Place, old residents of Spring Valley and active in the community life. The bridegroom is a native of Barile, Potenza, Italy, and arrived in America two weeks ago to claim his bride. The young people met when Mr. and Mrs. Spinazzola took their family last year to visit their old homes in Italy.

Miss Spinazzola had chosen for her wedding a gown of white peau de soie, full length princess style with rounded neckline, long, sweetheart point sleeves, with Alencon lace panels front and back flowing into a chapel train. Her finger-ring veil of imported tulle was trimmed with Alencon and caught in a pearl crown. Her bridal bouquet was a cascade of white roses and carnations with Stephanotis.

Attending the bride as matron of honor was Mrs. Theresa S. Lombard, dressed in pale yellow taffeta sheath with bouffant overskirt. Her head dress was an opera bow with nose tip tulle. She carried an arm bouquet of yellow roses with green ivy.

The bridesmaids were Mary Asaro, Mary Crescenti, Margaret McGregor, Julie Spinazzola, Diane Spinazzola, Mary Biesini, were dressed in pale green taffeta, carrying yellow carnations and green ivy, with bow and tulle headdress.

The bridegroom's party included Vincent Lombardo, best man; Nicholas Asaro, Richard Biasini, Anthony Crescenti, Aldo del Seccolo, Daniel Spinazzola and Michael Spinazzola. White dinner coats and black trousers with boutonnières of white carnations were worn, with rose boutonniere for the

bridegroom. A dinner for the bridal party was held at the Spinazzola home at 2 p.m., and a buffet supper and dance for the many friends of the family was held at the Elks Lodge, Washington and Jamacha boulevard, El Cajon, for over 400 guests, from 7:30 p.m. to 12 p.m.

The honeymoon is being spent at Las Vegas and the young people will live in Spring Valley.

## THELMA WALTERS

HOME ECONOMIST  
Eastern District  
SAN DIEGO  
GAS & ELECTRIC CO.  
suggests

It's the wise homemaker who puts her portable appliances to full use. And this is especially true during the warm weather season. For that is the time for outdoor eating and outdoor cooking.

Perhaps you haven't been taking full advantage of the portable appliances in your home. Then you'll surely want to attend one of my two May cooking programs. "Patio Cooking With Portable Appliances" will be presented Tuesday, May 9, from 10 to 11:30 a.m.; and Tuesday, May 23, from 1 to 3:30 p.m. in the air-conditioned auditorium of San Diego Gas & Electric Company's Eastern District Office, 104 North Johnson Street, El Cajon. You'll note that the one week earlier than usual, second program is being held that's because I was sure you'd want to spend the May 30 Memorial Day holiday, with your family.

I'm sure you'll be amazed when I show you the delicious, complete meal that can be prepared using just small appliances. You'll be surprised at the various kinds of foods which can be served, exactly to your family's and guests' liking, on electrically-operated, automatically controlled portable appliances such as the rotisserie, skillet, sautépan, deep-fat fryer, sandwich grill, waffle iron, blender, and coffee maker.

Be sure to mark your calendar to attend one of the two meetings. In addition to the cooking demonstration, recipes will be distributed and there'll be the usual valuable appliance door prize.

### Saturday Tour Scheduled for Miguel Students

Members of Mr. Donald Tarr's English-social studies classes at Mount Miguel high school will participate in a tour of the Old Globe Theatre and the International Trade Mart, Saturday, May 6.

Under the supervision of Tarr and Mrs. Alice Young, cadet teacher, the students will have an opportunity to correlate the places they see with their courses at school.

"The tour," remarked Tarr, "should indicate to the students the reality of the topics being studied in class."

The study of Asian geography in social studies, and of "The Merchant of Venice" in English, have made up the recent program in the classes.

Transportation will be provided by parents. Students will leave school at 10 a.m. and return at 2 p.m.

## OFFICIAL U.S. CEREMONY

## Flag-Retiring Rites Done by Marines

by Douglas E. Giles, Principal of San Altos Elementary School

(Now that the U. S. has 50 states, the 48-star flag, while legitimate to use until worn out, are gradually being retired from use. The following is an account by one of our local elementary school principals, Douglas E. Giles of San Altos Elementary School, of the recent flag-retiring ceremony held there by the U. S. Marine Corps.)

Through the courtesy of Victor H. Krulak, Commanding General, Marine Corps Recruit Depot, a Marine Color Guard, directed by Sgt. Robert K. Clark, U.S.M.C., presented a patriotic assembly at San Altos Elementary School on Monday, April 24, at 10 a.m.

It was the official United States ceremony for retiring a flag and it was replete with heart-stirring Marine protocol, an experience to be cherished by grownups and children alike.

Sgt. Clark led the total student body in the Pledge of Allegiance to the Flag and then presented biographical information regarding the origin, meaning, and history of our National flag. Students were shown star number 31, representing the order of California's admission to the Union. Sgt. Clark told the students that laws have been written to govern the use of the flag and to insure a proper respect for the Stars and Stripes. He also stated that custom has decreed other observances in regard to its use.

Students and parents then listened to a description of the custom of the U. S. Marines in which the National Flag is raised each morning at 8 o'clock and lowered each day at sunset. Students stood in rapt attention as this ceremony was enacted. They also received instruction in the proper courtesy civilians should extend to the Stars and Stripes. A part of the assembly in-

cluded the presentation of a new 50-star flag to the school by the family of Mrs. Ruth A. Fields, a parent. Linda Minor, student body president, accepted the flag for students, and presented it to the Color Guard for hoisting on the school staff.

A 48-star flag, which was no longer considered a fitting emblem for display, was officially retired from use. The students were informed that flag courtesy requires that flags be destroyed without public ceremony. Members of the school safety patrol were given custody of the retiring flag for delivery to the school custodian, Mr. Charles Blum. He disposed of this flag by burning it after school and the ashes were dispersed by letting the wind blow them away as a symbol of the free spirit of our nation.

## Liquor Clerk Arrested Here

A clerk at the Grove Liquor Store at 7245 Broadway, Lloyd Joslin Bouton, was arrested April 22 and charged with selling alcoholic beverages to a minor, John Joseph O'Connor, 19, of 2536 Mulder St.

When told by deputy sheriffs that O'Connor was a minor, Bouton was surprised, stating the youth had been a regular customer and had showed him identification showing him to be 21. A search of O'Connor's car turned up a case of beer.

A hearing for Bouton has been set for May 11 in the El Cajon Municipal Court.
